GOLDEN WEDDING

At the Home of J. B. Howard,
Amherst Island.

Napanee Beaver

Tuesday, March 21st, witnessed a very pleasant scene at the home of Mr. and Mrs. J. B. Howard, Emerald, Amherst Island. The event was the celebration of their golden wedding. Fifty years ago Mr. Howard led his blushing bride to the altar of St. James' church. To-day none the less gallant he led her to dinner, where a goodly number of their relatives and friends about thirty in all, partook of their hospitality. R. A. Fowler in proposing the health of Mr. and Mrs. Howard, made a very bright little speech in which he pointed out the difference between the present celebration and the one fifty years ago. In the first one the bridal couple were looking forward with every hope and ambition, and now they were looking back on a life that had made them respected and loved by all present. A number of beautiful presents were received and with each one the love and respect of the giver.

Mr. and Mrs. Howard have the best wishes of their many friends, who all hope they will be able to preside at yet another celebration of the happy event.

eration, admitted that possibly something was going on which had not been brought to his knowledge. The belief in the commencement of practical efforts toward peace is so strong in the business form that Russian fours actually rose a point.

The correspondent of the Daily Telegraph reiterates that the czar is still unbending in his determination to continue the war and asserts, positively, that thus far no steps whatever have been taken in the direction of peace.

Baron Suyematsu, speaking in London last evening, declared that the prospect for peace was less near than the newspapers profess.

A Genuine Advance.

St. Petersburg, March 31.—The news from the front, to-day, indicates that Field Marshal Oyama has begun a genuine advance of his main army with wings far extended. Nearby reconnaissances are being made against the Russian centre with the object of developing the Russian position.

Linevitch's Despatch.

St. Petersburg, March 31.—A despatch from Gen. Linevitch, dated March 26th says:

"There is no change in the situation. The enemy is displaying activity east of the railroad.

Mrs James Howard

Piston Jan 21 - a drowning tragedy this P.M. about 3 o'clock close to Indian Point, Pr. Edw. Co., when Mrs James Howard, aged 85, lost her life. Mrs. Howard, with her son, Vere, left Stella in an auto to return home and they were a short distance from land when the ice began to give way. Vere jumped out and tried to rescue his mother, but the car sank. He dived into the water in an attempt to save her, but was unsuccessful. The body of Mrs. Howard was recovered after an hour of grappling.

The mild weather of the last few days had weakened the ice. Mrs Howard had recently sold her farm near Stella & had gone to live with her son at Indian Point. She was returning following a visit when the drowning took place.

or more. There are in the city
 factories having more than one hundred
 employees, and the committee hopes
 to hold meetings in more than half
 of these. Prominent clergymen of all
 denominations will aid in the work.
 The plan is to hold fifteen-minute
 meetings, wherever it is the custom
 to suspend work for only a half hour,
 and to use thirty minutes wherever an
 hour is allowed. When the whistle
 sounds for the noon recess a cornet-
 ist will play different selections. It may
 be sacred music, some non-religious
 air or "ragtime." While the cornetist
 plays, programmes will be distributed
 among the workmen. Then a clergy-
 man will give a talk.

SMALLPOX CASES.

Toronto, Jan. 18.—The
 prevalence of smallpox in
 the province is becoming
 distinctly alarming, as
 there are more cases report-
 ed to the provincial board
 of health than for a number
 of years past. The type of
 the disease is a mild one,
 which leads to the belief
 that there are many other
 cases in existence which
 have been diagnosed as
 chicken pox.

THE COLD WEATHER

Record of Three Years Has Been
 Broken.

Montreal, Jan. 17.—The cold wave
 which struck here, Tuesday night, and
 has been developing in intensity ever
 since, broke the record for three years,
 this morning, when the temperature
 went down to twenty-six degrees be-
 low zero, some thermometers going as
 low as thirty below. In consequence
 there has been a great deal of suffer-
 ing among outside workers and, where
 building operations have been car-
 ried on so far through the winter, the
 men have been compelled to lay off
 until the cold moderates. As is usu-
 ally the case, in this climate, a sharp
 drop in temperature has resulted in a
 great deal of work for the

ing nicely.

Notes From Bath.

Bath, Jan. 17.—The Epworth league made a change in their usual programme on Wednesday night last. A spelling match was held which was very instructive. There was quite a large attendance. The body of Ernest Lusk, drowned while crossing from Emerald to Bath on the night of Dec. 28th, was recovered on Friday afternoon last near the same place where the accident happened. The funeral

SCENES OF HORROR.

London, Jan. 16.—(7 p.m.)—The following cable despatch has been received from a press representative who accompanied Sir Alfred Jones and his party to Jamaica :

"Fires broke out again to-night. The negroes are looting the rum shops. At least five hundred persons have been killed. There are weird and terrible scenes. Forty-five invalid soldiers were burned to death in the military hospital. Several shocks were felt to-day."

was held on Saturday. The deepest sympathy of our villagers is extended to the families afflicted by the sad bereavement. Miss Ruby Nash left on Wednesday for Wellington, where she has secured a position as junior teacher in the school in that village. Miss Pearl Nash has recovered from an attack of typhoid fever and returned to her position in New York hospital on Saturday last. Master Harold Simpson, Cataraqui, visiting at his uncle's, Dr. Northmore, for a few days, has returned home. Mrs. S. L. Nash has so far recovered from her recent illness that she is able to be up. At last the ice is in good condition and the islanders are crossing now with horses.

STINGY MEN TAKE HEED!

Crosby had always been inclined to conservatism in household expenses, especially in the matter of his wife's dress bills. His wife went so far as to say that he was penurious.

She had been in need of a new boa for a long time, and after she hinted that her happiness would never be quite complete till she had one, he at last consented to make the purchase. He went into a store and picked out two, one of which was a cheap imitation affair, and the other a fine expensive one. Taking them to his office before going home, he changed the price marks, the expensive tag on the cheap boa and vice versa.

His wife examined them for a long time very seriously indeed, and then said: "Now, dear, the expensive boa is a beauty, and it is very good of you to allow me my choice. Some women would take it without a word: but really I don't think we can afford the more costly one, and besides, dear, I think the cheap one the more stylish, too. Why, Cros, dear, what's the matter? Are you ill?"

But dear old Cros had made his get-away into the night where he could kick himself as hard as he felt he deserved. But what he would like to know is this: Did his wife happen on the more expensive boa by pure accident, or—

SUPPER AND PRESENTATION.

On Monday evening, Oct. 18th, Victoria Hall, Stelka, was the scene of a farewell supper and presentation to the Rev. J. E. Lindsay, B.A., B.D., on the eve of his departure for Carberry, Man., to assume the rectorship of that parish.

The hall was tastefully decorated with colored streamers and Chinese lanterns, and the well filled tables presented an inviting appearance, which did much credit to the Ladies' Guild, who had charge of the arrangements.

Mr. Fowler acted as chairman, and in a happy speech called upon Mr. Arnold Weinp to read the subjoined address, at the conclusion of which Mrs. J. S. Neilson presented the beautiful silver private communion set and a purse of gold.

Mr. Lindsay, in reply, made an eloquent address, in which he dwelt upon the happy relations which had always existed between himself and the congregation.

The Rev. Jas. Cumberland, Rev. Dr. Porter and the Rev. A. L. McTear, of Bath, also spoke, and a very pleasing violin solo was rendered by Mr. Edwin MacDonald, accompanied by Mrs. R. D. MacDonald on the piano.

The proceedings terminated by the singing of the National Anthem and the Benediction was pronounced by Mr. Lindsay.

To the Rev. J. E. Lindsay, B.A., B.D.

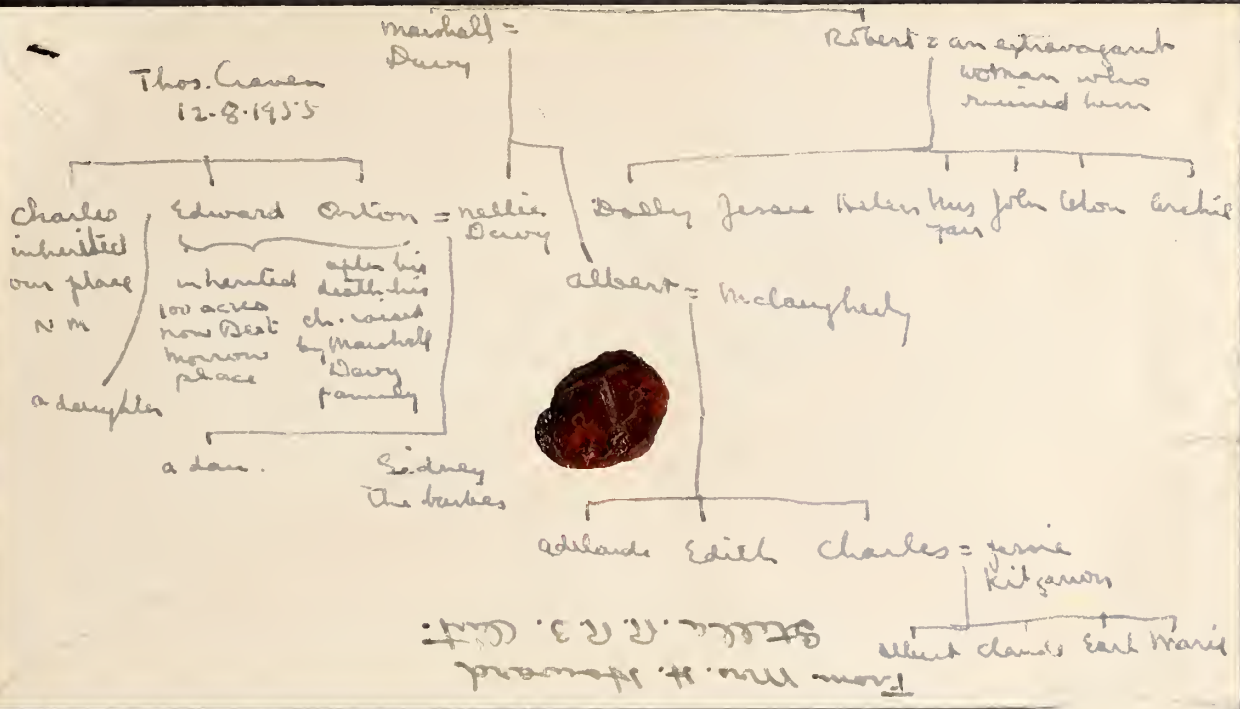

Dear Mr. Lindsay.—When we heard only a short time ago that you had received a call to Manitoba we were conscious of feelings bordering on resentment rising in our hearts "Why should the people out there again disturb the happy relations existing between a pastor and his people by taking away one who is doing a good work in our midst?" But learning from you that you thought it to be your duty to accept this call, and remembering that the church is one, that the people who have given you this urgent call are our brethren, and that you are called to take a part in the glorious work of building up the Kingdom of God in this new and growing part of our Dominion, we have become reconciled.

And although we assure you that it is with much regret that we part with you and Mrs. Lindsay, who is a highly esteemed daughter of this parish, yet we wish you both a hearty God-speed, and pray that you may have a long life of happiness and prosperity in your new field of labor.

We shall always remember with gratitude that during the three years of your ministry here you have with much earnestness and success conducted the work of this parish both in temporal and spiritual affairs, and we trust that long after you have gone from us we shall still continue to profit by your good and wise precepts and example.

We ask you to accept this present as a small token of our esteem and good wishes for you and Mrs. Lindsay and your little daughter, accompanied with our prayers for your safety, happiness and continued success in the Lord's work wherever your lot may be cast.

Dear sir:

re: James Howard, late of Kingston, Ont.

Your ad in the Kingston Whig-Standard of 2 January has come to my attention. It interests me, as I am a collector of local genealogical notes. Amongst my files is one on the Howard family. In my library are numerous books and directories relating to this community. I have reviewed a few of the pertinent ones and advance the following information:

There is no mention of James Howard in the Kingston Directories of 1904, 1906, 1908. I have an obituary notice of a James Connor Howard, of Amherst Island (an island adjacent to Kingston), who died in a Kingston Hospital 12 Sept., 1904, aged 69 years. This man's wife was Julia I Clute. At the time of her death, in 1925-7, she is noted as the mother of 14 children, of whom seven survived.

If this James Howard is the person you seek, my file is available to you.

Yours sincerely,

H. C. Burleigh.

I am very sorry for the unlucky discovery made upon Hudibras (Dr. Geo. Smyth) by the Tailor Hewson, more on account of the Risk he runs of suffering than for the loss of his Services as I am confident that Mr. Stuart and three principal men more of Schenectady, whose Loyalty and Zeal I am well assured of, will endeavour to conduct the business in such a manner as may be most agreeable to your Excellency — and I have many men, whose fidelity, Secrecy and Knowledge of the country I can vouch for, always ready cheerfully to undertake anything in their power for the good of the King's Service — Colonel Claus will provide two Indians who may be found serviceable with the White men — for fear of accidents I would propose to have the depositories, the one near Johnstown, the other somewhere to the Westward of Fort Edward, for the settlement of the latter I wish to employ Mr. Lansing and Mr. Howard.* I shall provide Tin cases for both parties secured in such a manner as not to admit the least moisture, or the papers being examined after they are deposited, untill they are delivered whenever your Excellency shall please to direct.

* Lieuts. Philip P. Lansing and John Howard.

goyne from Stillwater in Sept. 1777, & on your Memorialist's return was taken and detained a Prisoner at Bennington and soon after found means to escape and get into New York, where he remained till 7 Sept. 1778, and in that time received no subsistence except his rations and \$15, which was placed to acct. of Secret Service, & necessarily borrowed cash for his support.

From New York he embarked for Quebec to join his Corps commanded by Capt. Leake, but being too late in the season put in to Halifax, from whence he proceeded at an inclement season of the year having underwent every inconvenience attending so long a march arrived at Quebec on 6 Feb. 1779, and soon after joined Capt. Your Memorialist has since received by your Excellency's orders the sum of £20 Halifax and humbly prays that Your Excellency will be pleased to consider the above circumstances with those he is now under having been obliged on his arrival in this Province to contract debts for Necessaries which he is still unable to pay, and that Your Excellency will be pleased to order his Subsistence from the 24th October, 1777 (from which time Capt. Leake's Corps received subsistence in Canada) to the 25 Feb. 1779, from which time he has received his subsistence through the hands of Capt. Leake at £14 per muster.

J'écris par ce Courier au Chevalier Johnson afin
qu'il aye à ordonner au Lieut. Howard de son Régiment
de se rendre immédiatement à Machiche afin que comme

I certify that the Bearer, Mr. John Howard, Lieutenant

been bound over by Recognizance to the King with sure-
ties in the sum of fifty pounds currency, to appear at
the Quarter Sessions on the 9th January next to answer
concerning an assault made upon Benjamin Hopson of
Machiche Schoolmaster and to keep the peace towards

pris le parti de s'en aller pour rejoindre le régiment

premeditée qu'il serait dangereux de laisser passer
une action aussi atroce avec impunité. Le plus vil

Mr. H.C. Burleigh, Genealogist,
Bay of Quinte Branch, U.E.L. Assoc'n,
P.O. Box 9,
Bath, Ontario.

Dear Mr. Burleigh,

My husband and I have been attempting some genealogical research of our families, and are trying to obtain more information about the Howard branch of my husband's family. Since we know that some of the Howard family resided on Amherst Island, we thought that perhaps you might be able to help us in our search there. Rachel, the daughter of James and Eliza Howard, married the son of Daniel Fowler, an artist from Amherst Island. There was also Thomas Howard, born circa 1860, who later resided in Buffalo. James and Eliza, I am quite sure, lived on Amherst Island, although I believe they later lived near Hagersville, in Haldimand County. James Howard was a brother of my husband's great-grandmother, Margaret Howard, who married John Hall. I do not know if there were others in the family, and I do not know the parents' names.

I thought if you might be able to tell me where we could look to find James and Eliza or Rachel, then perhaps some of the rest of the pieces might fall into place. Also, two cousins, Misses Edna and Florence Fowler, I presume daughters of Rachel Howard Fowler, later lived at 183 East Street Napanee, but expect they have passed away by now.

We expect to be down your way, enroute to Kingston on March 20th, and wondered if we might have a little chat with you, either on the Saturday or Sunday, March 20 or 21, or toward the end of the following week if that would suit you better.

Sincerely,

Ella R. Norton.

HOWARD GENEALOGY.

2260 N. 16th St., Philadelphia,
Pa. April 30, 1938.

My Dear Mrs. Miller-

I received this information re the "Howard Family" from Mrs. Backus this week and have copied the record also her letter which will supplement what you already have, and of course a record of the whole Howard family.

Now most of these lived on the Island or in the vicinity around the Bay of Quinte I expect. I know my father was born in Ameliasburgh, Prince Edward County, so they must have lived there at the time. The only Howards that I knew lived in Bath for any length of time were Thomas and Mary Howard up near the Davy's. I have written you the names of their children--(though blurred as I was tired)-- and the history is given in the record particularly about Edward who married Mary and as you know she after Edward's death married Hazelton Peterson (given on page 2 in record). Laura and Sid. Howard are their grandchildren (of Thomas & Mary), son and daughter of Orton. Of course Edward Howard's family lived in Bath. One can hardly write about my family history without bringing in those from other places. I always associate them as all in one place, though when I was a child the Island to me was very distinct from Bath.

As you see from record my grandma and Aunt Mary were sisters. Well by careful studying and taking the pages as they come you can ~~see~~ easily see the whole connection. It would have been much more legible if typed, but I had not a typewriter in house or either of the children could have typed it for me and they are always so busy to take it out so I wrote it out.

Mrs. Backus has somewhat elaborated more on her ancestors as I have on mine. Her mother was a daughter of Mrs. Preston who was daughter of William James Jackson Howard and Mrs. Peterson as you see was Mrs. Preston's sister.

Note John B. Howard was brother of Thomas Howard-- page 2. he is Mrs. Fowler's father.

One item I don't see here and which just occurred to me when thinking of that grave of Edward Howard at right hand corner of Church going in (see page 1) I have often seen it--was Mrs. Hancock's monument near by. Well Grandma Howard always said she was a Howard or rather a cousin of hers (L.P.S. No. 2 Mackenzie). I forget whether her name was Howard. Anyway she married I think Orton Hancock and they must have been church people as he was buried there. I always heard how the Methodist people got her talked over to associating herself to them as she had money and of course she and the Misses Hawley used to go there but she was buried beside her husband. I don't know who is now living from whom you could find out. I believe Miss Hawley is dead--perhaps you could find from Church records or perhaps Ernest Shepherd might. I believe he might find out. Why I mention him I don't know, but have an idea he would find out something if he understood it.

Those old atlases were full of information. There was an old one of the County at home and I have a couple of sheets from it but they are about Mr. Fowler, landscape painter, who used to live near head of Island. He was Reg. Fowler's father and they were English & very superior people. Mrs. Rothwell, an author, was a daughter. She afterwards married Mr. Christie, a former rector of Island.

Well perhaps you will glean enough from these papers to help you in what you are doing. You can put it down in form to suit yourself. I was glad to get these records and I am glad you had occasion to write me about them.

Mrs. Robinson wrote me Mrs. Backus' address but her address is now different she will see--happened to get both letters same day. If Mrs. Robinson is interested you might let her see these notes & letter, also the records I formerly sent you.

This leaves us all very well as I hope you are.

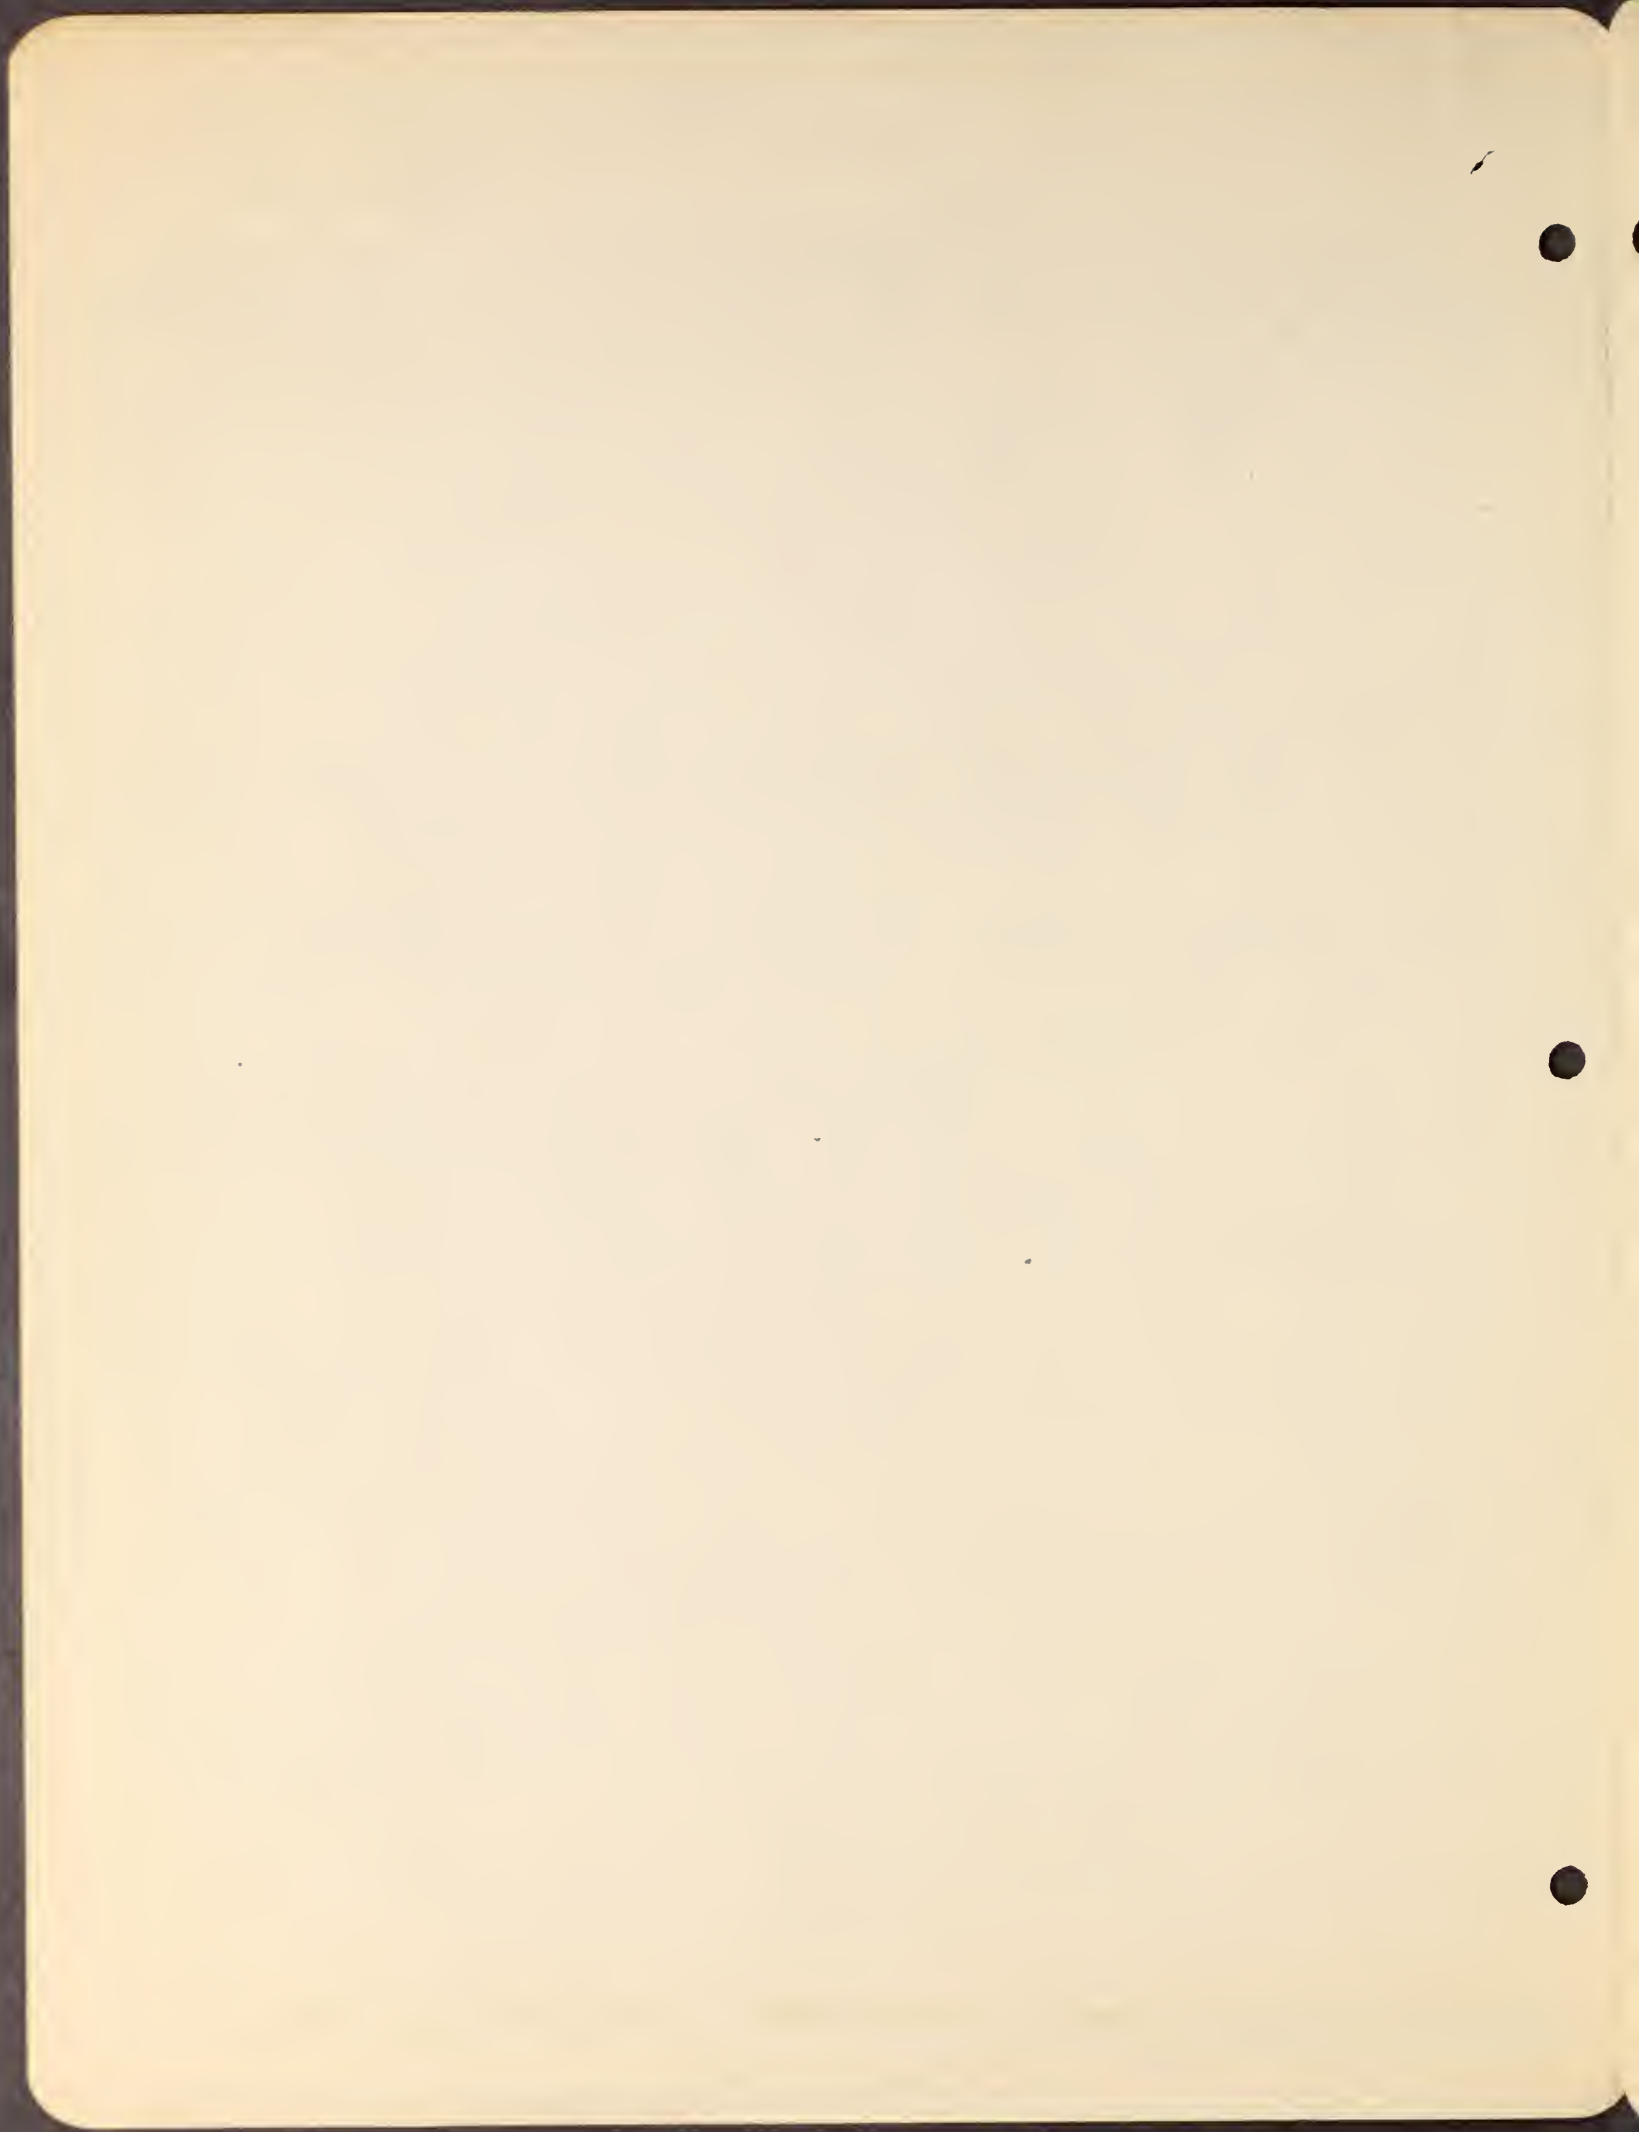

I will close now as I have writers' cramp and you will as the saying goes--take a day off to read this. Yours as ever,

Almeda E. Carter.

P.S.

as you see I also copied Mrs. Backus' letter as it gives further information

Hotel Wellington, 55 St & 7 Ave, New York.

April 23, 1938.

My Dear Mrs. Carter:-

Your letter of Mar. 12 reached me via my sister in Ohio, and I have been a bit slow in answering but my notes were packed away and had to be resurrected. I enjoyed your letter very much and I have written out the first two generations of the family in Canada and enough I think for your purpose as the descendants you doubtless know as well as I do.

I worked up these notes with Emma Howard (Mrs. W. I. Neilson) whose address now is Ormsby Beach, Ontario, and who has all the notes I have, if not more. That is why your grandmother appears as Aunt Betsey, as that is what Emma called her, and I did not realize until later just what her connection was with you.

We were allowed access to the Church records, which are preserved now in Synod Hall, Kingston, or were so then. I believe it is not so easy now to get permission to pore over them oneself. Some day I hope to put my notes in proper shape, but the past 20 years have been too busy for that. But "digging ancestors" helped me through some very lonely years and were a great source of interest at the time. What a pity more was not written down by the earlier generations. Neither Emma Neilson nor I were ever able to learn much, if anything, about the family before they came to Canada. ~~Maybe~~ ~~and~~ Even one place name would be a help, even of Virginia, Pennsylvania or Ireland. "Near Dublin" was the most I ever heard. The name Howard does not appear in Dublin vicinity until 1649, when after Charles first's death members of the name who had fought on his side in the Civil War were refugees there. In a little more than a hundred years our John Howard came to America, so the Howards were in Ireland a shorter time than they have since been in Canada. Just "stopped over" as it were. The name, of course, is purely English.

You have heard, I am sure, the old story that Mary Hall's Quaker Aunt warned her "Thee will come to no good if thee marry that young Britisher."

Also we were always told that Mary Hall Howard's Canadian daughter was born when she was 'over 50,' but I think 48 was nearer the truth.

I think your Aunt Catherine would have been a mine of information, but I had only one meeting with her and "recollections" come with long talks and by degrees as I know.

I am going away in a few weeks but as I said before some day, perhaps next winter, I hope to get my notes in decent shape and will be very glad to pass you on a copy of them.

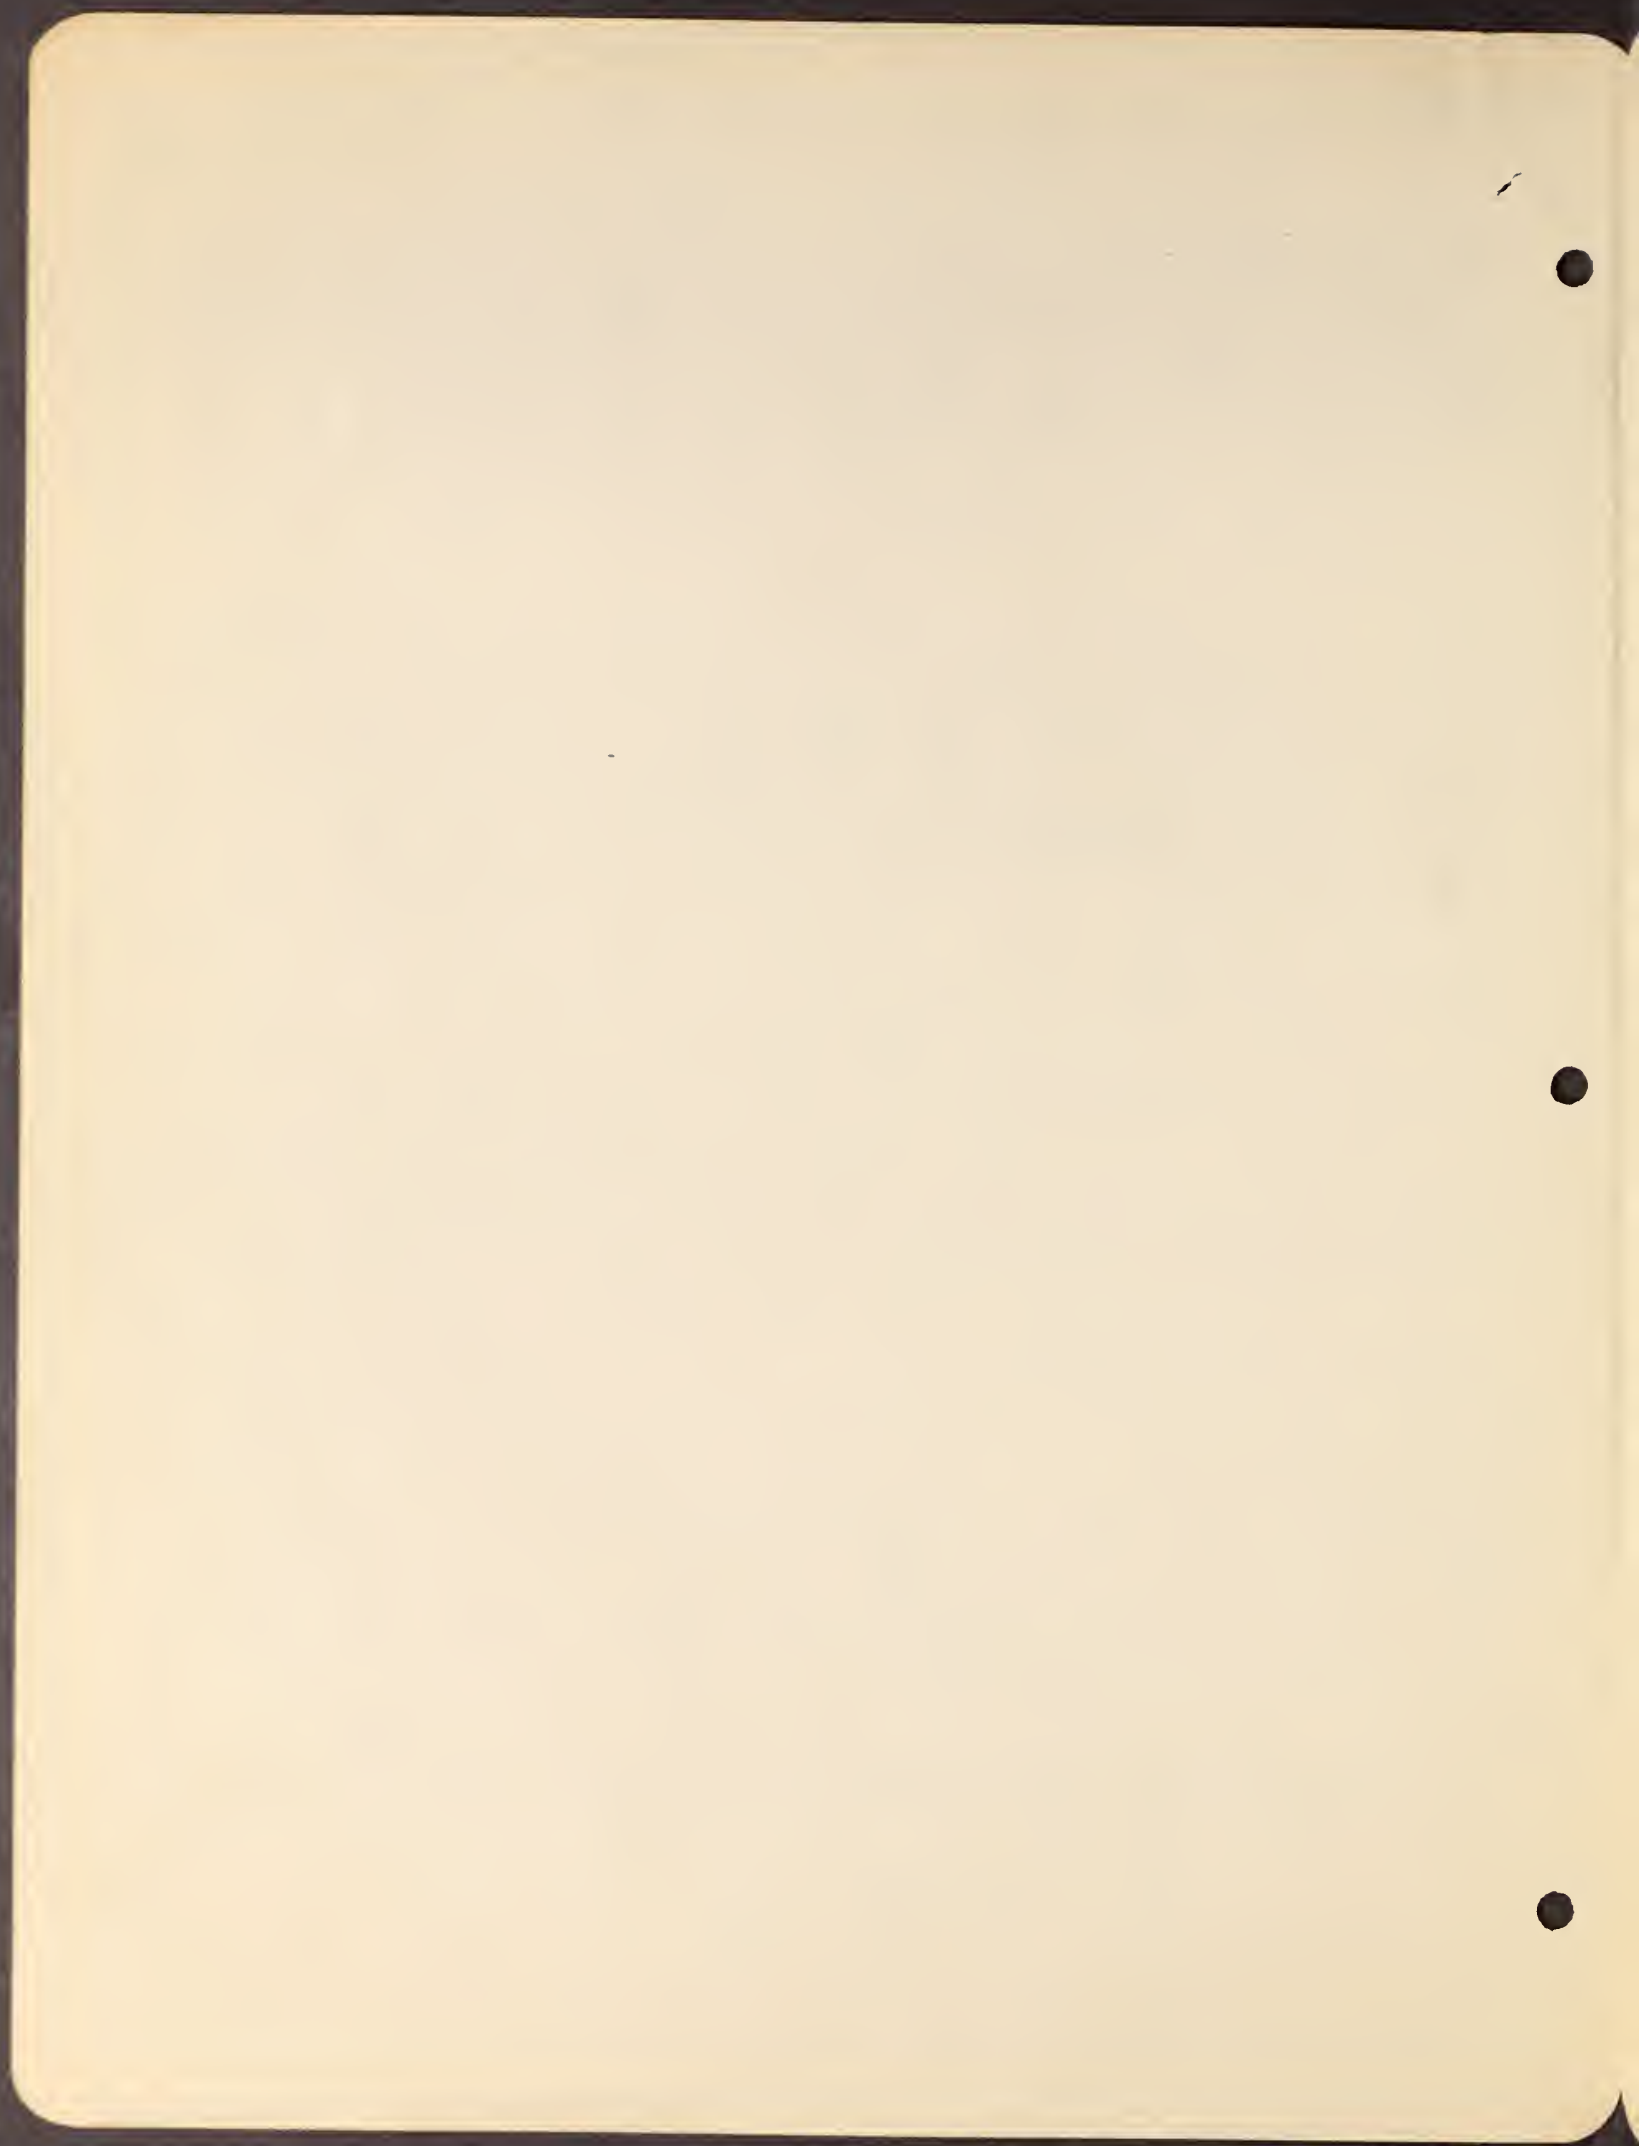

I remember Aunt Mary getting a letter from you one time and how interested we were. And of course I remember your sister.

It is strange sometimes to think that we are now the "old" generation, and I don't remember poetry so easily as I used to. And the old homesteads are in other hands and seem far away now. When John Howard, Junior, was a boy his uncle Edward (the one whose grave is in Bath churchyard) took him back to Ireland to be educated. J. C. Howard (Emma's father) told me once when I was a young girl that John Howard, Senior, "knew Washington." And now your children are Southerners and my grandchildren are New Yorkers.

Yours very sincerely

Mary Backus.

PS/ Also I remember being told that your great &c grandmother Charlotte Richardson lived, when a refugee, in a convent in Montreal.

John Howard, Senior (name in U. E. list) married to Mary Hall in South East Pennsylvania about the close of the French wars. Lived in Virginia.

Their children were:

John, Junior (name as on U. E. list) married Ann Jackson (of a U. E. L. family) in 1788.

Edward (name is on U. E. list) married Rosanna McLullen in 1802 (Presbyterian minister married them).

Thomas (name is on U. E. list) married Charlotte Richardson, 1797.

Sarah, died unmarried (the youngest of the family, born after the family reached Canada--was also called Sarah (sic)).

Elizabeth married Dr. O'Connor 1789 (no descendants living now).

Jane married Captain Richards in 1795.

Mary married Colin Mackenzie 1794.

Sarah married Wm. Mackenzie (no descendants living now) 1803.

John Howard, Senior died 1795.

Mary Hall Howard died in 1829 aged 90 the record says.

John Howard had a brother, Edward, who never married, but who came to Canada with them.

He is buried in Bath churchyard and tombstone says died in 1815.

The above list is probably not in proper order. Have not the birth dates.

1. Revolutionary War Incident, Matthew Howard

"When the Americans discovered in 1780 that Dr. (George) Smyth was active in carrying on correspondence with the British leaders, he was forced to fly to Bennington, Vermont, where he believed he would be safe, but his expectation was without foundation, for he was given up by Governor Thomas Chittenden. En route to Albany under guard, however, he escaped a second time, and with the assistance of Matthew Howard succeeded in reaching Canada.

(fn) In his deposition dated Montreal 16th June, 1787, Howard said that in 1781 he was "hung up three times" in Bennington Gaol, because he would not give information about the Royal Army. Others present on that occasion verified that statement."

6. - Notes re two sons of Matthew Howard

Peter Howard, Son of Ensign Matthew Howard, appears on a list of Abel Stevens' settlers in Bastard township, Leeds County, dated Feb. 14, 1798, whose locations were confirmed by Upper Canada Order-in-Council of the same date. Peter is listed for lot 20 in concession 8, with notation "Absent, has a family in the settlement and waits to be confirmed in the lot".

Stephen Howard is listed for lot 9, concession 7, with notation "on the lot with his family."

Their father, Matthew Howard, in a petition (U. C. Land Petitions vol. 447) dated Eastern District May 24, 1799, and made jointly with Abel Stevens as the "managers of the cutting of the road from the Great Gananoque Falls to Kingston, in behalf of the men employed to do the same," asks a time extension regarding the terms of the land grants to the men for their work.

A tavern license in the Johnstown District was held by Peter Howard, according to the Accounts of the Receiver General of Upper Canada for 1801, and a dutiable importation by him in 1801 was "70 gal. Jamaica spirits or rum; 20 lbs. loaf or lump sugar." The same return shows Stephen Howard holding one of the two licenses to work stills in the Johnstown District (capacity 24 gallons, duties 1s. 3d. per gallon).

Peter was elected as the Leeds County member of the Legislative Assembly in 1805 for the 4th Upper Canada Parliament. (possibly continued as such in the 5th and 6th Parliaments?) and in the 7th Parliament was M. L. A. for Grenville County. (1817-1821.)

In 1815 Peter Howard in equal partnership with Jonah Brown (1767-1851) bought, from Daniel Brown for \$240, 400 acres in Yonge township, Leeds County, being lots 22 and 23 in concession 7, the site of Howard and Brown's Mills, later called Kennedy's Mills (on an 1851 Canada West military map), and later known as Beale's Mills. The mill location was on the stream between Wiltse Lake and Charleston Lake. About 16 years later, Jonah's Brown's half interest in this property was transferred to Hiram Spafford, Brockville merchant, (after extended litigation and imprisonment for alleged debt instituted by Spafford), who continued to own and to mortgage it jointly with Peter Howard for some years. (Lot 23, 200 acres, was owned by Peter Howard in 1831, and is still owned by Howards.)

Peter Howard conducted a medical practice in Leeds County from a period before the War of 1812. An 1830 list shows 84 practitioners recognized by the Medical Board of Upper Canada. As published in J. G. Chewitt's Upper Canada Almanac for 1831, the six "Practitioners Licensed, Having Practiced Before and During the Late War" were J. B. Chamberlain, Peter Howard, Trueman Hickock, Trueman Raymond, John Spencer (son of Col. Hazelton Spencer), and David Wilcox. "Licentiates Passed by the Board and Allowed to Practice" numbered 67, including among those of Eastern Ontario, Basil R. Church, William W. Howard, Hamilton D. Jessup, Marcus Merrick, Anthony Morton, and Peter Schofield. The other eleven including John Rolph and John King, M. D. were "admitted to practice under 8 Geo. 4 Chap. 3, they having produced testimonials of their qualifications to do so":.

Items of 1828 to 1835 noted in Brockville newspaper regarding Peter Howard include the following:

Brockville Gazette, vol. 1, no. 20, Jan. 2, 1829:

"Drowned. On Saturday the 20th instant Brock M. Howard, aged 15 years, son of Peter Howard, Esq., was unfortunately drowned by falling through the ice on the mill pond belonging to Howard and Brown's mills, in Yonge. Having some business at Mr. Hooker's store in Elizabethtown, he took his route in that direction without the knowledge of his parents.....Mr. J. Morrison dove into the water to get the body, but without effect. It was, however, at length brought out by a hook by the brother of the deceased.Brockville Recorder".

Brockville, 1st August, 1833.

An 1836 certificate by Peter Howard, in support of a land petition of Guy Carleton Stevens of Augusta Township, appears in the Upper Canada Land Petitions (vol.473, no.175) as follows:

"Brockville) I do hereby certify that I was personally acquainted
17th January 1836) with the late Ensign Roger Stevens in the time of the
revolutionary war in America in 1782. That he was then
an Ensign in Rogerses Rangers, that he went with and under the command of my
Father Lieut. Matthew Howard into the enemy's country from St. Johns in Lower
Canada near Albanney by command of His Excellency Lord Dorchester to take a man
by the name of Blaker a rebel committee man and bring him to Canada. That they
were taken prisoners and committed to Benington Jail, from which he the said
Stevens made his escape and returned to Canada and there remained on duty
until the close of the war, after which he settled on the Rido River and
shortly after was drowned by accident. All the above I am willing to attest
to at any time.

Peter Howard."

7. Notes regarding Matthew Munsell Howard, Esquire, M. L. A. (1794-1879)

Matthew Munsell Howard appears to have been a son of Dr. Peter Howard, M.L.A., and Sarah Munsell, and a grandson of Ensign Matthew Howard and of Moses Munsell.

The Beverley election riots in the Leeds County pollings at the village of Delta in 1834 and 1835 which led to Matthew M. Howard and William Buell failing to gain re-election as Reform party candidates are reported in existing copies of newspapers of that time, including William Buell's Brockville Recorder. Reports of the committee of inquiry which nullified Jamieson and Gowan's purported defeat of Buell and Howard in the 1834 voting are available in the House of Assembly Journals.

A published lampoon on Matthew Howard and his majority supporters, of a type seemingly characteristic of the Family Compact interests defeated in Leeds in the 1830 elections, appeared in verse form in Ogle R. Gowan's recently acquired Brockville Gazette, December 21, 1830. Some of its 18 verses follow. They were titled "Matt Howard vs. John Gilpin" and signed "Amicus."

They indicate Matthew was a miller, and it might be that he was engaged then (at about age 36) in the milling business owned by his father, the Brown interest in which last was held, until several years after 1829, by Jonah Brown's sons James (1794-1874) and Alfred (1798-after 1875). (Several of Jonah Brown's sons later were grist and flour millers elsewhere, as were James' son Horace (1829-1891) and Horace's son James Morton, 1863-1926), my father and grandfather of Carleton Place, Lanark County.) Examination of the early Canada census rolls at Ottawa (1852, 1861, 1871) should show who of Matthew M. Howard's family were living with him at the dates of these enumerations, their occupations and approximate ages.

Brockville Gazette, vol.3, no.119, Tues. Dec. 21, 1830.

" Matt Howard vs. John Gilpin

Matt Howard was a ~~rebel~~/Radical
For years at least twice ten,
A white flag on before him bore
To frightan loyal men.

His friend Steve Richards to him said
Though brawling we have been,
A weary time, still none of us
In office yet are seen,

Away went Matt, 'twas neck or nought
'Twould make him small or big.
Little Matt's father never thought
His son would run such rig.

Away went Matthew, who but he
His fame soon spread around,
He'll certainly put Gowan out,
Or spend some hundred pound.

.....

Howard Family cont'd.

And now at every step they took
They burst the kindly bands
By which the people should be bound
To George who gave them lands

At length he's chosen by false vote
And cries a decent job
I little thought I'd ever make
So much of any mob.

The 'Sembly men all laughed at Matt
Not thought of him a pin
They said, no brazen Yankee thus
Among them should force in.

So back to Leeds little Matt shall come
To wear his miller's gown
And woe's the day ha first set out
For the assembly's town.

** Many of those radical fellows who are now railing against the Government are U. E. Loyalists or their descendants, who came into this province as paupers, and who were granted lands and otherwise promoted by a paternal government, but who now "throw off the mask" and smite their benefactor on the cheek."

Stanley T. Howard.

Stanley Taylor Howard, well and favorably known in Leeds county, quietly passed away at his home in Glen Morris, near Athens, on the morning of February 14. He had been in poor health for several months.

He was born on the family homestead nearly 73 years ago, on Feb. 23, 1885, a son of the late Eugene Howard, and his late wife, the former Eliza Ann Wood, and was the last member of his family.

The late Mr. Howard attended local schools, and had lived all his life at Glen Morris and Athens.

He was married in Toronto to Margaret Williamson on Jan. 18, 1923, and for a few years they lived at Beale's Mills, not far from his home, where he was a cheese-maker. He then moved to the Howard farm, where he continued farming most successfully for many years retiring and moving to Athens, where he spent a few years, and then returning to the old home to spend the last few months of his life.

He was a great lover of nature in all its forms, and when well he always had a beautiful garden of flowers and vegetables. He loved fishing and hunting, and for many years consecutively he and Clifford Morris, a life-long friend, went duck-hunting together on the first day of the open season.

He had always taken a keen interest in municipal affairs, in his church and the Masonic Lodge. He had been a member of the Athens United Church Board for many years, a member of the Men's Association of the United Church, and was a former member of the United Church Choir. He was a Past Master of the Rising Sun Lodge A F and A M, and a Past Patron of Vimy Ridge Chapter O. E. S. He was a former member of the local school board, and was a councillor of the Rear of Yonge and Escott for nine years. He took a great interest in all things pertaining to the betterment of the community, and surrounding districts.

A devoted husband, father and grandfather, he leaves his wife, one son, Ronald, and daughter-in-law, Grace, who live on the homestead, and one daughter Mrs. David McDougall (Gwen), and son-in-law, David, of Orlando, Florida; also five grandchildren, Rhonda, Leslie and Dale Howard, all at home, and Gregory and Robin McDougall, Orlando, Florida. He was predeceased by two brothers, Charles B. Howard, and Pr. C. A. Howard, four years ago.

The funeral service was held in the Athens United Church on Sunday afternoon Feb. 16, at half past two o'clock, with Rev. Carman C. Beckel in charge of the service. Miss Marjorie Earl sang a beautiful solo, and the choir led in favourite hymns of the deceased. The pallbearers were Amos Wiltse, Fred Spence, Ivan Bellisle, David Crowe, Ben Reynolds and Gordon Morris. Interment was made in the family plot, Athens cemetery. Several nieces and nephews of Mr. Howard live in the district, and attended the funeral.

Those from a distance attending the funeral were: Mills and George Howard, Bruce and John Howard, Ben Reynolds and Miss Dorothy Howard, all of Toronto; Mr. and Mrs. L. C. Dunn and son Richard and Mr. George Fulford, of Brockville; Mrs. C. B. Howard, Ottawa; Miss Emily Locks, of Newmarket, and many others from various parts of the district.

Mr. Stanley Taylor leaves a good name, well-earned.

Additional Notes on the

Matthew Howard Family of Leeds County

Matthew Howard of Albany County, New York, in the Revolutionary War first served as an ensign in General Burgoyne's army, being mustered as an ensign in 1777 in Captain ^{Samuel} McKay's corps at Fort Millar by Captain Campbell of the 29th Regiment, who was then Muster Master General. He received thereafter an ensign's subsistence, (his land petitions, Elizabethtown, Jan. 17, 1789, and Grenville, Jan. 8 1793, with supporting certificates of John Howard, Fredricksburg, and Henry Young, Sophiasburg, both formerly lieutenants, 2nd Batt'n., K.R.R.N.Y.)

Matthew Howard as a former subaltern, received Upper Canada land grants totalling 2,000 acres, and obtained an additional 325 acres on payment of fees for patents (£11/2/6 sterling) and for surveying (£2/7/6 currency). (His petition, York Jan. 28, 1805; Order-in-Council Feb. 28, 1805.) About half his land granted was in Elizabethtown township, and half in Crosby township, Leeds County. It included parts or all of lots 20, 21 and 22, concession 3, Elizabethtown, at which area between Brockville and Lyn some of his descendants lived for several generations.

Six of his sons were, Stephen, John, Beyer, Peter and William and Edward Howard, probably of that order of age, who also came to Elizabethtown. Stephen, John and Beyer (Dyer) Howard are shown by their land petitions to have come to Canada in 1781 or 1782 and to have been employed as artificers at the King's Works at Chambl until about June 1785, and then to have come to Leeds County in 1785. The Upper Canada land grants to Stephen, John, Dyer and Peter Howard were increased in view of their father's wartime military rank to 400 acres each by order-in-council of Nov. 6, 1797. In Col. Joel Stone's regiment of Leeds militia in 1803 (Edward Jessup, Lt. Col.; Thomas Smyth, Major) John Howard was a lieutenant, and Dyer Howard was quartermaster. (J. F. Pringle, "Lunenburg, or The Old Eastern District", Cornwall, 1890, Appendix E).

Peter Howard appears to have come to Canada later than his three elder brothers. He received a 200 acre (grant) land certificate as son of Matthew Howard U. E. by District Land Board order of June 10, 1791. As he had "a family in the settlement" in 1798 (Abel Stevens' O. in C. Feb. 14, 1798, and was elected to the provincial Legislative Assembly as the Leeds County member in 1805, and was evidently the Peter Howard among some 500 persons suspended from the U. E. List by order-in-council of May 25, 1802, his reported ineligibility for the land rights of that status was presumably by reason of his late date of settlement in Canada. His wife Sarah, petitioned for land as a daughter of the late Moses Munsell, U. E. (petition dates, Elizabethtown, May 12, 1796, July 19, 1798, Feb. 20, 1806. O. in C. March 6 1806)

A supporting certificate of James Breakenridge, 1796, says Peter Howard "has been a resident of Canada since the year (seal-illegible, but probably) 1791.)

Note: See also January, 1963 notes on this family, Howard M. Brown, and attached notes on John Howard family of Bay of Quinte area.

..... William Howard (1770-1858, his gravestone, or b.1778 per Canada census of 1852, extracts attached.) was granted 200 acres of land under order-in-council of July 9, 1802, and previously petitioned for the same, Elizabethtown, January 19, 1799, as son of Matthew Howard, U. E. Edward became a major in the Leeds militia (Captain on Walling's Leeds and Grenville ~~act~~, 1862; major on his gravestone). A copy of his remarks and affidavit as enumerator of part of Elizabethtown township is attached. 1852

One of the Howards married Elizabeth, daughter of James Breakenridge of Elizabethtown, who was lieutenant colonel of the 1st Regiment of Leeds Militia to and including the War of 1812, and a chairman of the Johnstown District Court of General Quarter Sessions of the Peace including May 1807. An order-in-council of November 7, 1797, authorized a grant of 600 acres of land to Elizabeth Howard, Leeds County, as a daughter of a wartime captain, James Breakenridge; her husband's first name is not mentioned. James Breakenridge had been a captain in Major James Roger's King's Rangers. He died before July 1830. His son, James Breakenridge of Elizabethtown (con.3, lot 19) attorney-at-law, spent some time in the debtor's prisons of Kingston and Brockville before and after that date. (early Brockville newspapers.) With the family of James Breakenridge, age 46, farmer, Elizabethtown, in the 1852 census was Ann Breakenridge, 69, widow, born United States.

11** Edward Howard, (1788-1868, his gravestone,) born in Lower Canada, received his order in 1805 for 200 acres of land as son of Matthew Howard, U. E.

Among the third generation of Leeds County Howards petitioning to the Lieutenant Governor in Council for land as children of persons named on the U. E. List were the following children of Stephen, John and Dyer Howard receiving orders for 200 acres as such.

(1) Two daughters of Stephen Howard of Elizabethtown, namely Mrs. Phebe Hallock of Elizabethtown (petition Brockville, Feb. 21, 1822). O. in C. March 20, 1822) and Mary Howard wife of James Crowwell, Johnstown District (petition, Brockville Aug. 10, 1825, O. in C. Feb. 21, 1839).

(2) A son of Dyer Howard of Elizabethtown, namely Tilton Howard of Elizabethtown. His petition as son of the late Dyer Howard of Elizabethtown, deceased, is dated Brockville May 23, 1829, with supporting affidavit of Edward Howard, and was granted by order-in-council of October 24, 1831. Tilton Howard of Elizabethtown married Jane Stevens of Yonge, Feb. 23, 1825. (Rev. Wm. Smart marriage register, extracts attached.) and appears to have removed to Raleigh township, Western District.

(3) The following four children of John Howard, Esquire, of Leeds township, formerly of Elizabethtown township:

(a) James B. Howard of Elizabethtown. His petition (Brockville, Nov. 11, 1817; O. in C., Aug. 19, 1833) is supported by an affidavit of Tilton Howard dated Raleigh township, (Chatham area) Western District, October 17, 1833. James' wife, Sally was a daughter of Adoniram Burritt, U. E. of Augusta. (her petition, Brockville Feb. 21, 1832; O. in C. Dec. 19, 1835.)

(b) Ann Howard, wife of George Cook of Leeds township. Her petition as such, dated Feb. 16, 1819, was submitted by Peter Howard, Esq.

(3) Pamela Howard, wife of John B. Hewitt of Leeds township. Her petition as such (Brockville, Feb. 21, 1822; O. in C. May 17, 1828) is supported by an affidavit of Stephen Howard dated Johnstown District, March 7, 1828.

- (d) Charlotte Howard, of Leeds township, Her petition of Brockville, May 19, 1839; O. in C. Aug. 5, 1830, bears Peter Howard's affidavit as to her identity and Reuben Mott's affidavit that her father John Howard resided in Elizabethtown from 1786 to 1811, and in Leeds township thereafter and to date. Charlotte Howard married Nov. 16, 1837, John Gilman Pennock, they both of Leeds township. (Rev. Wm. Smart marriage register.)

Among the fourth and following generations of the Leeds County Howards are Peter T. Howard, shown shown in the 1861 diennial census as living in Yonge township on a part (conc. 7, lot 23) of the former home farm land of Peter Howard senior (conc. 7, Lots 22 and 23) appears for that reason to have been probably a brother of Matthew Munsell Howard (1794-1879) and was the father of Eugene Howard who next occupied the farm, followed by Eugene's son, Stanley Taylor Howard, (1885-1958) and then by Stanley's son, Ronald Howard.

In the 1861 census, with Peter T. Howard, age 62, were his wife Dorothy, born England, age 45, and children Josephine, 20, Lenora, 18, Alma, 14, Eugene, 10, and Sarah, 8. The township's 1852 census rolls are missing. Only Eugene and Sarah are shown remaining with their parents there in the 1871 census. Their family place of burial is the Athens cemetery, and the farm is about four miles southwest of Athens.

Affidavit and Remarks of Edward Howard, Enumerator
1852 Canada Census, Elizabethtown, Leeds County.

"Oath of Enumerator

Edward Howard, Enumerator of Enumeration Division No.2 of the Township of Elizabethtown in the County of Leeds maketh oath and saith that the sheets herewith annexed marked Personal Census, 1 to 51 consecutively and Agricultural Census 1 to 9 contain a full and particular enumeration of the said district.....

Edward Howard, Enumerator.

Sworn before me at Elizabethtown
the 22nd day of March, 1852.

Matthew M. Howard, J. P.

"On the 12th day of January 1852 I rec'd my instructions as enumerator, Division 2 in the Township of Elizabethtown comprising the 6th, 7th, 8th, 9th, 10th, and 11th concessions, and I commenced my operations at 12 o'clock noon. ...the weather cold and stormy, snowed more or less throughout the week, with heavy gales of wind from the N. W. and north....the 17th closed the week and not one fair day.

Monday the 19th continued my Rout...Boisterous weather and extremely cold and bad roads.. but further difficulty impeded my progress the snow from two to two and a half feet deep and frequently meeting from 40 to 60 teams per day loaded with square timber, tan bark, cordwood and shingle bolts. Further in many concessions the farmers have located themselves in the centre of their lots. I have travelled through some drifts mid side to my horse.

And further more conflicting occurrences many times took place. On driving up to a lonely cot, snow blowing in every direction, I tied my horse to the stake and rapt at the door. A feminine voice, Come in....after the issue & is not at home I made reply no, I called to take his personal and agricultural census.. the flashes appeared in the countenance and the whole sistom apparently converted.the aspect reminded me of a regular hiena.

Oh! more taxes d---n such laws Well madam you will have to tell your husband to be at home tomorrow I will call as I come this way He will not stay at home for youthe storm increased and being inclined (illegible word omitted) rather than fight took myself off in a few days I called on her husband and found a match for his dear companion detained me for 3/4 of an hour in evasive replies

This is not the only similar occurrence. I have been detained for the term of one hour when I could do the services in one forth bore with them rather than prosecute

(On Remarks column of next census sheet:)

I have made a few remarks in No.1 sheet respecting the weather to include the whole of my servitude, from the 12th of January to the 27th of February I worked incessantly except one day and a half and did not experience five days of fair weather.

I have travelled frequently until 9 o'clock in the evening. Concerning the severity of the weather was such in some houses this would freeze the ink in my pen.

This was not the only difficulty there being a Defect in the Law it does not compel any person ~~tax~~ that I call upon except the owner of farms to answer my questions, neither to come to me if he is not at home when I call I called on different individuals three or four times in consequence of that being the Opinion of some Professional men."

Additional Notes on The John Howard Family, of the Bay of Quinte District

John Howard of Albany County, N. Y. served in Sir John Johnston's King's Royal Rifles of New York, and became a lieutenant in its second battalion upon its establishment in Nov. 1782. He was with his battalion when it was removed from Oswego to Cataraqui at the end of July 1783. There he built one of the first family residences of the location of the future city of Kingston. Occupying it in December 1783 with his wife Mary, born c. 1743, and their daughter Mary b.c. 1769. Jane 6, c. 1772, and Sarah b.c. 1782. In 1784, after the disbanding of his regiment John Howard and his sons Thomas and Edward, also both of the same regiment apparently, appear as receiving their first Canadian land locations at the Bay of Quinte in Fredericksburg township.

John Howard drew his complement of 2000 acres of land mainly or entirely in the Midland District. It included lot 25 in the first concession of Fredericksburg, on the lake front about half way between Bath and Sillsville (his petition dated Kingston June 15, 1789.) His sons Thomas and Edward received totals of 400 acres each as sons of a lieutenant (O. in C. Nov. 13, 1797) and his son John received the same (O. in C. July 12, 1798.) His daughters Mary and Jane as such received land board orders for 200 acres each in 1793, having requested locations in Sophiasburg township, Prince Edward County, by petition dated Adolphustown Feb. 25, 1793. Sarah Howard of Sophiasburg, widow, her late husband's name not stated, was granted 200 acres of land by order in council of June 22, 1799 as daughter of Thomas Harris, U. E.

In the next generation of the Bay of Quinte Howards, a land petition of Edward Howard of Adolphustown for 200 acres as a U. E.'s son, granted by order in council of December 11, 1822, shows him to be a son of Lieutenant Thomas Howard of Marysburg and a grandson of the late Lieutenant John Howard of Fredericksburg, deceased, certified as such Sept. 3, 1822, by John Church J.P., Guysbard Sharp, and Samuel Corry. Among other Howards of the same third generation, and the same region of the province who made land petitions, not examined by me, (W.M.B.) were such names as John of Ameliasburg, Erastus of Sophiasburg, Peter of Pittsburg, William of Amherst Island, Thomas and three daughters of Edward of Amherst Island, namely Catherine, Mary and Elizabeth Ann.

Thomas Howard, farmer, born Amherst Island, appears among other Howards in the Canada 1852 census as of Fredericksburg township age 57, with wife Mary 47, four children born Amherst Island, and three born in Fredericksburg, including five sons, being George M. 22, Edward M. 19, James C. 17, Henry C. 15 and Charles N. 17.

She lives in Phil.
but I don't know
her address or

so can't find her.

If you can find
her name from
Mr. Robinson Smith
at the Wright directory
I will be obliged to you.

My Dear Mr. Miller,
Received your letter yesterday
and am writing right back with the little
information I can give you. so you can work
on it. I got the information from Aunts Kate
and Charlotte which I expect they had
heard from grandmother and it was given
orally as they never kept records but I
wrote down what I could glean of
the past history of the family. Of
course I remember both our family
and Aunt Mary's very well. I have
written it down as I knew it. There is
another Howard family on the Island
John Howard, Mr. Reginald Fowler's father
I don't know where he comes in but
(over)

I am telling you⁽²⁾ what I am doing. I am sending to Mrs. Backus (Mollie Neilson - comes Neilson's daughter to find out a few things. She and Howard Kennedy were getting information about the Howard family when my sister was leaving Canada and had gone over to Aunt Kate's to find out something they knew so I expect they have the family history and I have always been going to write her but neglected doing so. She lives in New York. Her half sister Kathleen Arnold Wemp's wife wrote me once in a while and told me she was there but I haven't her exact address so am writing Kathleen & she will write her and I may get what she knows and will send it to you. Mr. Peterson was in some way related to the Howard

Family too, but I don't remember how. I
think his Mother was a Howard.
I might add that most of the Howard
family lived on the Island at one time
or mainland in Prince Edward Co.
My father was born in Amherstburg in
N.E. Co. The N.E. Loyalists were all given
land when they went to Canada in return
for their loyalty to the Mother Land. I
remember Aunt Charlotte emphasizing Glen
Hills N.Y. mentioned in summary. I suspect
Capt Richardson just left it and most of
the Loyalists must have left a great deal
- these Yankees. They must feel towards them
as the Southerners do. You know a Souther-
ner never has any use for a Yankee
even my children don't. I guess their
fathers instilled that in them. Of course
they get along with them but always
think them upstarts.
We are very well. I am thinking
some of going back to Baltimore

(4)
I had a letter from Evelyn yesterday and
a snap. She hopes to come to America
in fall or Spring and says her visit
will not be complete unless she can
see the friends in B.M. and Island.
Mentioned Patience. I was so sorry
to hear about her not being well.
I must write her soon. So glad you
are all well.

As soon as I hear further re
this history will write you.

Minerva is quite well, and so are my
children and I am wonderfully
well. Mr. Carter has been dead just
two years this month.

Wishing you and those engaged
in this interesting work success
Yours Sincerely
Amelia E. Curtis.

This is the history as I know it of our own
immediate family and as my Aunt Charlotte
gave it to me orally before I left Canada.
Grandmother Howard had two sisters I know
of one who married a Scott and her daughter
used to live in California - Beatty Scott - a great
teller at one time they say. Her other sister
was Mary as we called her used to live up
the road - Her husband was Thomas Howard
and likely a son of Thomas Howard as my
grandfather Edward was. I know in both cases
they were cousins. Mary Howard ^{Mary} Thomas Howard
and their children were as far as I know
Charles, ^{Orton} ^{think} George, Mary, Bertha James
^{girl} ^{Laura's father} (lived on island)

Now the Howard family on South side
Mrs. Peterson & Mrs. Preston. Father must have
been one of these or descended from one of the
sons or daughters I spoken of above. Allan
Howard was Mrs. Peterson's brother. He married
Col. Kitchin's daughter Mary - Mrs. Peterson
as you know married Edward Howard, Aunt Mary's
son. Edward H. and my father were cousins
